

Introducing  
**REINA POZO**  
Charles T. Myers Staff Instructor

## ABOUT REINA

*Born and raised in Charlotte, I'm proud to represent the Queen City every time I step onto the course. My golf journey began over 20 years ago, starting with the First Tee of Greater Charlotte, where I grew not only as a player but as a person. From high school team captain and MVP at Hopewell, to competing at the collegiate level with Chowan University, golf has shaped the way I lead, teach, and connect.*

*In 2019, I capped off my college career by qualifying for the PGA Works Collegiate Championship, and graduated with a degree in psychology — a background that still helps me understand the mental side of the game and connect with every golfer I coach.*

*Since then, I've coached at every level — from leading First Tee programs to partnering with The Learning Center, SM Next Generation Golf, and L.O.P. Today, as a private instructor, I specialize in creating a space where golfers of all ages and skill levels can feel confident, supported, and seen.*

*Whether you're new to the game or looking to refine your skills, my goal is simple: to help you feel more comfortable on the course and bring your best self to every round.*

## LESSON TYPES

Adult Private Lessons  
Junior Private Lessons  
Course Management Lessons  
Group Lessons  
& More!
