A Note From Our Pro:

Hi everyone!

July has been such a fun month at Rock Manor, and I just want to take a moment to thank all of our members for making this season such an enjoyable one. Seeing so many of you out on the course, catching up before or after rounds, and just enjoying the game is what makes this place so special for me.

Looking ahead, I'm really excited for our biggest event of the year – the Club Championship on August 23rd and 24th. It's a 36-hole stroke play event open to everyone, and it's always one of my favorite weekends of the season. Whether you're looking to compete for the title or just want to be part of the fun, I'd love to see a big turnout this year. Registration is open, so grab your spot and come join us for an awesome weekend of golf!

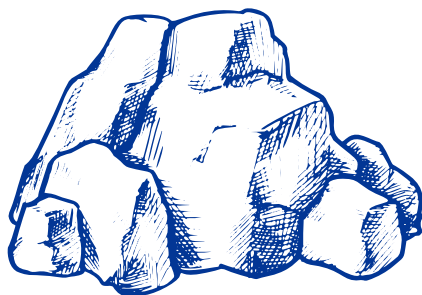

See you out on the course,

Nikita

PLAYING TIP - #16

A well-struck mid-iron down the left-center of the fairway will set up a short wedge approach for the smart player looking to birdie this hole.

For the more aggressive golfer, a well-placed driver or 3-wood can carry the creek, leaving a short chip shot and a chance to go low... if you're willing to take the risk!
