

Introducing **JOEY WALKER, PGA** Harry L. Jones Staff Instructor

ABOUT JOEY

Joey began his coaching career in 2008 at The First Tee of Tampa Bay, where he developed a passion for helping players of all ages and skill levels enjoy the game. He earned his PGA membership in 2011, marking a significant milestone in his professional journey.

Golf has been a lifelong pursuit for Joey. He picked up the game at a young age, learning from his father and grandfather, and played competitively through high school and college. Today, he continues to compete at a high level as a member of the Carolinas PGA Section.

Joey's coaching philosophy is rooted in the belief that every golfer has a unique and efficient way to swing the club. As a certified Level 2 TPI (Titleist Performance Institute) Golf Fitness Coach, he takes a holistic approach—helping his students improve their game through mobility, strength, and movement efficiency. Whether you're just starting out or looking to fine-tune your skills, Joey has the knowledge and tools to help you reach your full potential on the course.
