## LETTER FROM THE GENERAL MANAGER

---

Hello Members,

I am excited to announce the first addition of the new Magnolia Green Golf Club Monthly Member Newsletter!

I have created a new position for a full-time Marketing Manager and want to welcome Brandon Sidie to our team. Brandon will play a key role in facilitating club communication to our members and guests. I also want to take a moment and introduce our new Director of Sales, Kaitlyn Corker. She has jumped right in and is ready to help anyone plan your next event. It's hard to believe October is here already. With that I am excited that we are quickly approaching our Member Guest Weekend and the team is gearing up to host another fun and memorable experience. This is my favorite time of year as the leaves change and the course is in amazing shape. With these monthly newsletters you can expect to receive updates and messages from our Head Golf Professional Marc DeSisto, Director of Instruction Leighann Albaugh, Superintendent Jay Wade, and more! Each month we will be including our events calendar and any upcoming Grille specials. We would also love to hear any feedback of ideas of items or events you would like to see added.

In closing I wanted address the current Covid-19 situation. I want to send out our condolences as friends and loved ones are still being impacted by this nasty virus. As always, the safety of our members, guests, and staff is our number one priority. We are continually monitoring the team and have ramped up cleaning and sanitation procedures. Although we do not require any patrons to wear masks while inside the club, we do highly encourage it and want to remind everyone to please practice proper social distancing when appropriate. We couldn't ask for a better group of members. I want to personally thank everyone for their continued support of the club as we continually strive for improvement and creating an even better member experience.

Best Wishes,

*Tim Bello*  
General Manager

## LETTER FROM THE SUPERINTENDENT

---

Members,

Aerification season is here and normally that means the end of a hot, stressful summer. The main goals to aerification are to modify the current soil structure, decrease the amount of organic material that is built up naturally and reduce compaction. Our process is slightly different than some other courses in the area. We have not pulled a true core from our profile in about 6 years. We have been maintaining our organic matter using large solid tines to aerify and use more sand to dilute the existing matter. So far this has worked well. We are scheduled to perform a successful aerification on October 11-13. With this closed time we will also be working on catching up on some other detail work around the course. Follow our Magnolia Green Turf Care Facebook page or follow me on Twitter at @jaywadeIII for any updates. See you on the course!

Best,

*Jay Wade*  
Superintendent

### TIPS FOR HITTING ON THE DRIVING RANGE

Everyone prefers hitting from the grass tee versus the hitting mat. Hitting from the grass tee comes with some responsibility though. Here are some simple guidelines to help keep the player hitting from the grass more often.

1. Always hit from the designated area. The movement of tee line is crucial to maintaining the tee box.
2. Hit your next shot from the back end of the previous shot. This will create a nice long line of a divot pattern. When you run out of space create a new line leaving about 2 inches of grass in between lines. This allows the grass to grow and crawl back into place fast and fuller.

Follow these two simple guidelines and the grass tee area will remain flat and continue to grow faster. Allowing the player to hit from the grass tee area more often.

Thank you,

*Marc DeSisto*

Head Golf Professional

# Upcoming EVENTS

BREAST CANCER AWARENESS MONTH

October is Breast Cancer Awareness month, and here at Magnolia Green, we encourage our guests to give what they can to help with breast cancer research. We will be accepting donations for the Virginia Breast Cancer Foundation (VBCF) for the entire month.

Breast Cancer is the most commonly diagnosed form of cancer among women in the U.S. VBCF is a “nonprofit committed to the eradication of breast cancer through education and advocacy.” At Magnolia Green, we hope to help the cause of education, advocacy, and eradication of breast cancer. There will be pink cups and flags out on our course for October. If you want to donate, let us know or go to the Virginia Breast Cancer Foundation and donate directly.

**MAGNOLIA GREEN IS NOW CARRYING CHLOE WINES. EVERY BOTTLE SOLD GIVES \$2 TO BREAST CANCER AWARENESS. SUPPORT A GREAT CAUSE WITH GREAT WINE.**

# WHAT'S *Happening*

---

## at Magnolia Green

### **EVENTS** - <https://www.magnoliagreengolfclub.com/events>

We host a multitude of events, both indoor and outdoor (weather permitting). We love when guests take advantage of our outdoor amenities, such as the wedding lawn and outdoor patio. Check out our events calendar to see everything upcoming at Magnolia Green.

### **LIVE MUSIC** - <https://www.magnoliagreengolfclub.com/grille>

Come out and enjoy live music almost every Wednesday night, typically from 6pm - 9pm. Support some local musical artists while enjoying a night about at The Grille with our delicious weekly specials.

### **MICRO WEDDINGS** - <https://www.magnoliagreengolfclub.com/weddings>

A micro wedding is perfect for those hoping to celebrate their wedding day in an intimate setting with loved ones.

It's much easier to keep the ceremony private and under budget with our perfect designed micro weddings that have a maximum of 50 guests. Allow our expert team to help you created the wedding of your dreams without the hassle.

### **GOLF OUTINGS** - <https://www.magnoliagreengolfclub.com/golf-outings>

Hosting golf outings allows us to show what we value most - delivering an exceptional experience to everyone. From start to finish, participants will be treated to a professionally organized event, accounting for every detail. We will be with you every step of the way. Outings can be organized for as few as 12 players, with different packages to suit needs.

### **OFFICE SPACE**

Are you looking for a new normal while working from home? Contact our sales director, Kaitlyn Cottingham, to learn more about our office space availability.

### **FOOTBALL SUNDAYS MENU**

Open 11-9pm

**Coming soon:** the new Sunday Fun Day menu, featuring some of your tailgate favorites! Sunday Brunch will continue to be served from 11am -3pm, which will then switch over to the Sunday Fun Day menu.

# WE WANT TO HEAR FROM YOU!

## WHAT KIND OF NEW EVENTS WOULD YOU LIKE TO SEE HOSTED BY MAGNOLIA GREEN?

Magnolia Green Golf Club encourages any constructive feedback from members so that we may constantly try to improve our course and operations.

If you have any comments, questions, or concerns with Magnolia Green Golf Club & Grill, we would love to hear from you. Thank you and we can't wait to see you out on the course and at the Grille.
