

Introducing **BLAIR SMITH** *Sunset Hills Staff Instructor*

ABOUT BLAIR

Blair, a native of Florence, Alabama, played collegiate golf at the University of North Alabama, where he won twice and earned five All-Tournament team honors. A naturally gifted short-game player, Blair later discovered that true improvement comes from understanding swing mechanics and building consistent fundamentals.

Now a PGA member with over 25 years of experience, Blair's teaching philosophy emphasizes proper grip, posture, and an athletic setup to create a repeatable swing. He also focuses heavily on the short game, where most strokes are gained or lost. Blair believes that every player's swing is unique, and his goal is to help each student find their most efficient version. His calm, encouraging approach resonates with players of all skill levels. Whether working with juniors, beginners, or competitive players, Blair prioritizes long-term development and confidence.

From 2007 to 2014, Blair was the Director of Instruction at Birkdale Golf Club in Huntersville, NC, teaching over 1,000 lessons a year and leading a junior program that served more than 500 kids annually.
